

SAFER, SMARTER KIDS!

PERSONAL SAFETY CURRICULUM

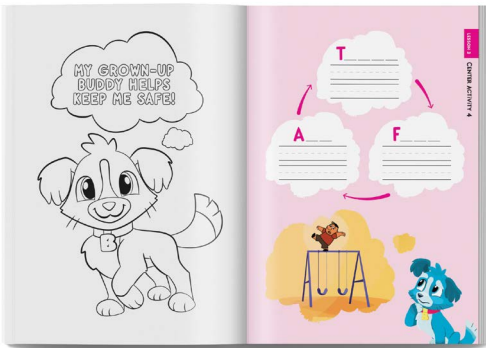

Safer, Smarter Kids is an abuse prevention education and child safety curriculum designed for elementary-aged children. The K-5 education program uses developmentally appropriate information to arm children with the tools and language they need to stay safe and access help from trusted adults when necessary.

This easy-to-use education program provides:

- Overview and step-by-step implementation guidance for each lesson
- Human trafficking prevention integrated into each lesson
- EMMY Award-winning videos to help children build safety skills
- Caregiver connection materials for families - available in English, Spanish, and Creole

DID YOU KNOW?

Children who receive school-based prevention education are **3.5x more likely to report** if they had been/were being abused, compared to children who did not receive that education. -Walsh K and Zwi K, et al., 2015.
